

Qualmark Corporation Announces Plans to Provide Financial Information

(Denver, Colorado - December 20, 2011) -- Qualmark Corporation (the "Company", www.qualmark.com), the world's largest provider of Highly Accelerated Life Testing (HALT) and Highly Accelerated Stress Screening (HASS) systems and services, today announced plans to provide audited consolidated financial statements for calendar years 2010 and 2011. The Company intends to issue these consolidated audited financials on March 20, 2012 by mailing to shareholders of record as of January 20, 2012.

The release of audited consolidated financial statements will be the first since April 2008 when Qualmark's Board of Directors unanimously adopted a resolution to delist from the Over the Counter Bulletin Board (OTCBB) and to terminate the registration of its common stock under the Securities Exchange Act of 1934. Further to this decision, the Company filed a Form 15 with the Securities and Exchange Commission suspending its SEC reporting obligations on May 12, 2008.

The planned mailing of audited consolidated financial statements on March 20, 2012, is intended to inform shareholders of recent financial performance of the Company. Other than the planned March 2012 release, the Company has no specific plans to release additional financial information in the foreseeable future.

Qualmark Corporation, headquartered in Denver, Colorado is the world's largest provider of HALT and HASS systems and services that advance product reliability and reduce total product costs for leading manufacturers and their global supply chains. The Company has installed more than 1,000 of its proprietary testing systems in over 30 countries, and has an Authorized Lab Partnership network that includes more than 30 independently owned and operated testing labs that utilize the Company's products.

The statements included in this press release concerning predictions of economic performance and management's plans and objectives constitute forward-looking statements made pursuant to the safe harbor provisions of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended. These statements involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors which could cause or contribute to such differences are detailed in the Company's Securities and Exchange Commission filings, including its Annual Report on Form 10-K filed March 31, 2008, and include but are not limited to downturns in the Company's primary markets; variability of order flow, future economic conditions; competitive products and pricing; new product development; disruptions in the Company's operations from acts of God or extended maintenance; transportation difficulties; or the delivery of product under existing contracts and other factors.
